GROUP 101 MEETING 1 10/31

ATTENDEES

Sara, Simardeep, Maneesh, Emily, Fee Kim

AGENDA

New Business

- Understand and walk through the sprint document.
- Add weighting to issues.
- Assign issues to each and everyone in the group.
- Decides on the availability to meet for the rest of the sprint.
- Text Stand-ups' expectation before the next meeting

NOTES

- Sara is sprint lead and will work on user stories, test cases, git / sprint maintenance, code reviews, figma design, and minimal front end work

- Emily will ensure the API to be used is up to pare

- Maneesh, Fee Kim and Simar will work on the main functionality of the sprin

NEXT MEETINGS AGENDA

- In the next sprint, we'll follow up the improvement we have done, close some issues, and add some more if needed.
- Ensure that the API we are to use is in good shape
